

Mosyle Parent Guide

How to download Mosyle to gain access to School Apps Remotely

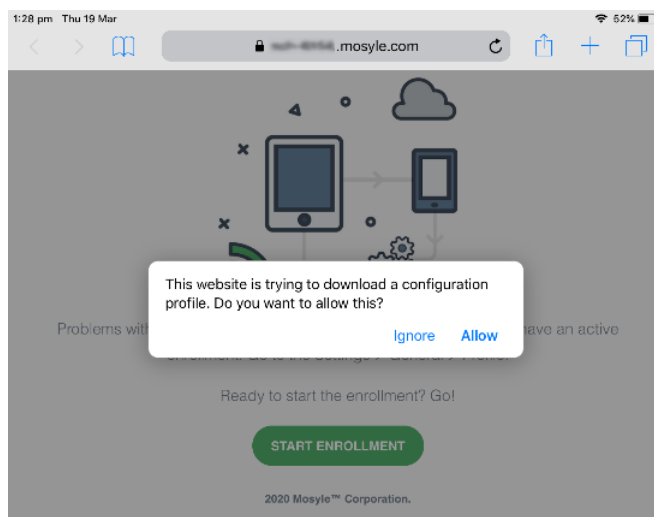

MOSYLE
manager

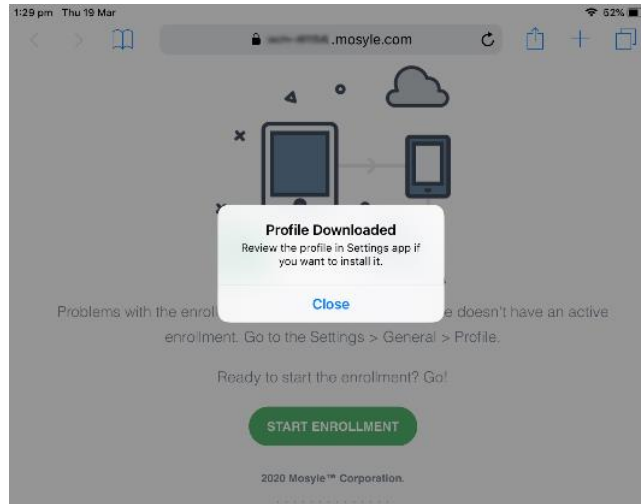

1. Go to your App store on your apple device (iPad, iPhone) and download MOSYLE manager

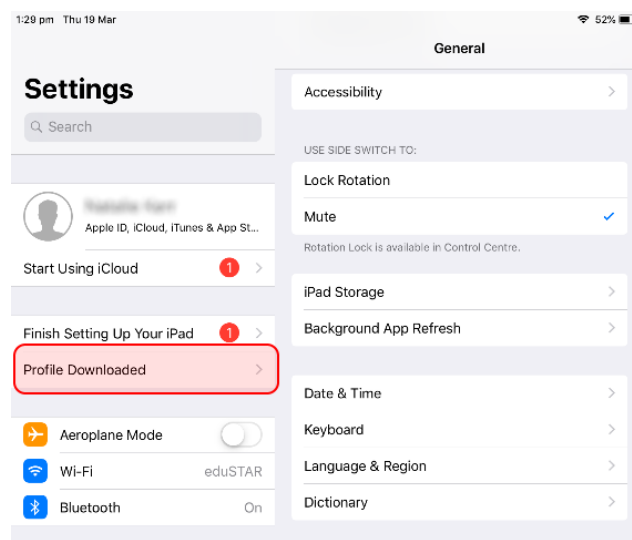

2. Enter your code into the box, and tap Sign in

3. Tap Allow

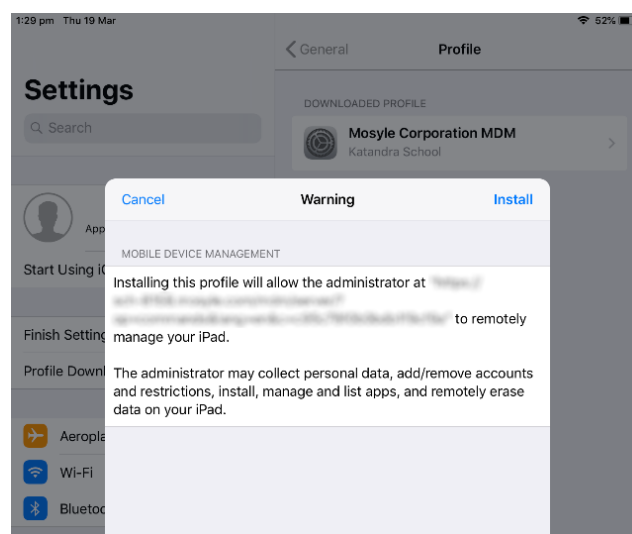

4. Tap Close

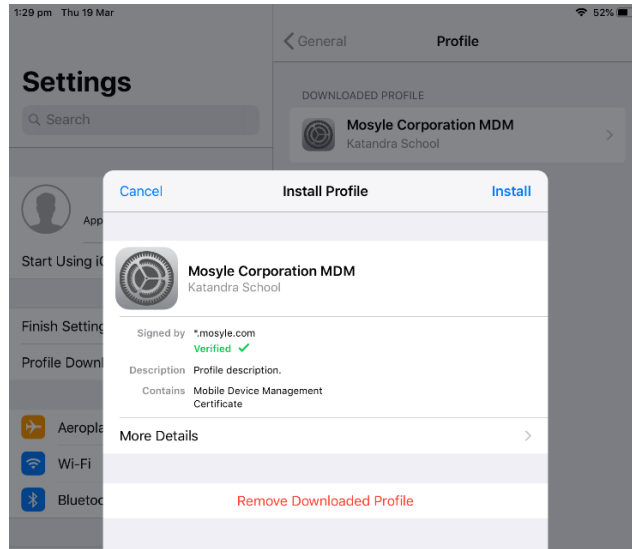

5. Open Settings, and click on Profile Downloaded.

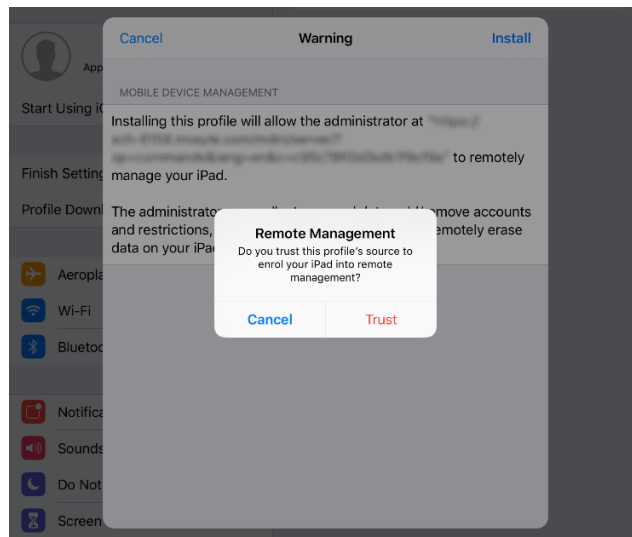

Note that on some devices, you may be taken directly to step 6 without needing to do this step.

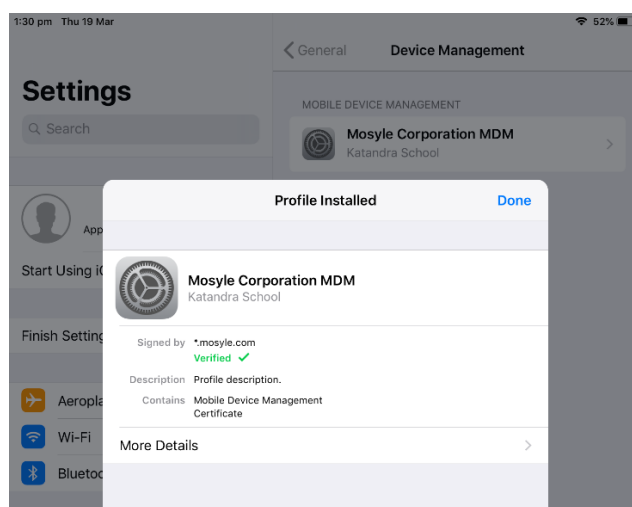

6. Tap Install in the top right corner

7. Tap Install again

8. Tap Trust

9. Tap done.

School purchased apps will now install automatically on your device
